

DYNAMIC DASHBOARDS INTO YOUR APPLICATION

INTERACTIVE DASHBOARDS FOR FAST & EASY ANALYSIS.

Izenda Dashboards give you real-time updates on your most crucial reports, all in one place. Dashboards are dynamic and interactive, and change to keep up with your fast-paced business days. Hover over a report to get details on a specific component. Or, drill down into each of the reports on the dashboard for even greater insight. These features let you visualize quickly what needs your attention first. With data coming from multiple sources, you need a way to see it all quickly, all in one place. You're your Izenda Dashboard give you the power to view it all, quickly, cohesively, and easily on one screen.

Plus, you can sort and make changes to reports from right inside the dashboard. The report designer is only a click away, letting you make changes instantly and watch it update in real time. From the dashboard, you can print, save, share, and send reports. Security options let you decide who can view or make edits.
